RISK CONTROL MEASURES

Stirk House will comply with the government's guidance on managing the risk of COVID-19 by following the following 5 steps:

1. **We have carried out a COVID-19 Risk Assessment and shared the results with the people who work here.**
 2. **We have cleaning, handwashing and hygiene procedures in line with the guidance.**
 3. **We have taken all reasonable steps to help people work from home.**
 4. **We have taken all reasonable steps to maintain social distancing in the workplace.**
 5. **Where people cannot be 2m apart we have done everything to manage the transmission risk.**
- Stirk House will limit the number of visitors by using a booking system.
 - Grounds visitors will not have access inside the hotel at the current time, however we will provide toilet facilities outside with handwashing facilities and sanitiser.
 - We will expect all visitors to comply with social distancing and our employees will need to ensure that this is the case.
 - We will not ask visitors to wear face coverings unless government guidance changes, however we do emphasise the need to stay 2m apart wherever possible.
 - All visitors will be required to maintain good respiratory and hand hygiene paying particular attention to government guidance of frequent handwashing and using and disposing of tissues.
 - We will require details of each visitor for the government's Test and Trace system.
